Department of Health Care
Policy & Financing

February 26, 2016

The Medicaid Provider Rate Review Advisory Committee (the Committee) was established in 2015 to assist the Department of Health Care Policy and Financing (the Department) in the review of provider rates. The Provider Rate Review Schedule can be found in the October 30, 2015 Committee meeting documents: <https://www.colorado.gov/pacific/hcpf/medicaid-provider-rate-review-advisory-committee>. At the next Committee meeting on April 29th, the Department will present available data regarding demographics, utilization, quality, and access for Physician-Administered Drugs, Emergency Medical Transportation (EMT), and Non-Emergent Medical Transportation (NEMT).

Prior to the April 29th meeting, the Department and the Committee will host Rate Review Information Sharing Sessions, allowing stakeholders to gain a better understanding of, and comment on, data as they relate to:

- The Department's categorization of services (see [Provider Rate Review Schedule](#) for categories),
- The methodologies used for pulling utilization data,
- Potential sources for pulling quality data, and
- Methods to analyze and present access data.

The Rate Review Information Sharing Sessions will be held:
